

Wisconsin Virtual School, through a partnership with Peterson's, offers its partner schools and their students access to StudentEdge, a FREE online resource center that simplifies college and career planning. Students have access to test preparation, college searches, scholarship search, financial aid tools, a career assessment, and a resume builder. Even 9th grade students can get a head start on the planning with the online practice tests and career assessment.

Prepare for Tests

Boost your ACT®, SAT or PSAT test scores and build confidence with Peterson's award-winning online test prep. Each online course includes skill and strategy-based lessons that cover all you need to ace your exam.

Each course features:

- A diagnostic test to evaluate your strengths and weaknesses
- A personalized set of lessons to bolster weaknesses and challenge strengths
- Interactive lessons and virtual flash cards to build needed skills and score-maximizing strategies
- Quizzes and full-length practice tests to assess progress
- Self-pacing so you can progress at a comfortable rate
- Access from any internet-connected computer—24/7

Search for Schools

CollegeQuest isn't your typical school search. Think of it more as your own personal college matching system. As early as the ninth grade, you can create a profile of your preferences,

experiences and accomplishments. As your goals change over the next four years, you'll make updates to your profile. Based on your profile, CollegeQuest matches you with the colleges that fit you best. By the time you're in the full swing of college planning, you'll have a list of colleges that are a perfect fit on all levels—academic, social and financial. With CollegeQuest, you'll increase your chances of getting accepted to your match colleges, succeeding academically—and ultimately graduating.

Explore Careers

Do you love numbers? Science? Maybe words are your forte? Maybe you're not sure. Whether you're heading straight into the workforce or you're entering college first, the Career Key™ helps you get an early handle on who you are, what you're interested in, and what kind of career may be right for you.

- Complete a brief questionnaire to find out your workplace personality type
- Discover what occupations you're most suited to
- Read advice on what additional steps you should take to get ready for the working world
- Search hundreds of careers and occupations including in-depth information about experience, knowledge, skills, abilities, interests, activities, and salary

Resume Builder: Create a resume that gets results with this simple-to-use tool, and find out for yourself how a stellar resume can open doors and help you edge out the competition.

Check out your Career Outlook: Take a look through The Occupational Outlook Handbook to discover what workers do on the job, working conditions, the training and education needed, earnings, and expected job prospects for a wide range of occupations.

Pay for College

Finances should never stand in the way of an education. StudentEdge has some tools to help you determine costs, find scholarships, and use financial aid to your best advantage:

Locate FREE Scholarship money: Search the most comprehensive source of scholarships, grants, and loans (almost \$8 billion in award money) to help you pay for your education.

Scout out tuition costs: Look up annual tuition, room and board, and supplemental expenses at thousands of colleges.

Fill out the FAFSA: Visit the US Dept. of Education Free Application for Federal Student Aid website.

Test your financial aid literacy: Take a quiz to test your financial aid smarts.

Analyze your college awards: The Award Analyzer gives you a side-by-side comparison of your award letters versus college costs to determine which schools will give you the most aid.

Calculate your savings: Just starting to save for college or want to check up on your progress? This calculator estimates the amount you will need to save to pay for a college education.

StudentEdge services are available FREE of charge to students attending WVS partner schools. Contact your Local Education Guide (LEG) or counselor for details on how to access StudentEdge, or contact WVS at wvs@wisconsinvirtualschool.org.

StudentEdge is a one-stop online resource to help students and their families plan for the future. Whether you're going to college, trade or technical school, directly into the workforce, or the military, StudentEdge will help you prepare for success.

You'll find everything you need in StudentEdge to:

- Prepare for standardized tests, including the PSAT, SAT and ACT®
- Find the best college match for you
- Maximize college affordability while minimizing debt
- Determine your future career path
- Build a resume for that summer job or internship
