

WVS Summer School Session 2010

June 14 – August 6, 2010

Students can get ahead or catch up during the summer by enrolling in WVS's summer school session. Any Wisconsin resident of middle or high school age is eligible to attend. WVS recommends students take not more than one to two online courses at one time. Students should discuss this with their school counselor or local education guide.

Online Middle and High School Courses

Choose from a full complement of courses in Math, Science, Language Arts, Social Studies, Languages, Electives, and AP.

Tuition: \$325 per half-credit semester course.

How to Enroll in WVS Summer Session 2010

Enrollments in Summer Session 2010 will be accepted from **May 25 through July 9, 2010**. All students must be enrolled through an authorized school or school district. Home schooled students can be enrolled by their parents.

For Students:

Consult with your school guidance counselor to ensure you choose the appropriate class(es) to receive credit. Your counselor or mentor will enroll you, unless you are a home-schooled student.

For Schools:

The Local Education Guide (LEG) who will mentor the students will enroll their students online- login information will be provided to those LEGs who are not currently registered with WVS.

To become registered to enroll and mentor students, please contact 715-453-2141 or wvs@wisconsinvirtualschool.org. Your school/school district will be billed for classes approximately one month after enrollment.

For Parents of Home Schooled Students:

Please contact WVS at 715-453-2141 for a login ID and password to register your student online. Send a check for the course fee to: CESA #9, Wisconsin Virtual School, P.O. Box 449, Tomahawk, WI 54487 after your child is enrolled online. When we receive your payment we will activate your student's course(s).
